**RE: Project Works to 9 – 10 Tokenhouse Yard, Bank, London, EC2R 7AS**

Shannon Construction approached Ciprian Stefura at Intex Build Limited to initially provide a detailed specification and quotation for Interior Decorating works at our project in London, EC2.

Due to our clients demands we needed a fast, reliable and specialist contractor to complete works within a tight programme. Ciprian and his team were able to provide us with a price within budget and advise us on the correct colour schemes and materials to prepare and decorate 6 floor 8,5000ft2 of office space. Intex Build provided top class service in a busy central London location.

The results speak for themselves and I am happy to recommend Intex Build for future projects.

Yours Sincerely,

*Jason Lock* - Project Manager On Behalf of The Shannon Group
